VOLUNTEERS

TREC depends on our volunteers to help us steward, judge and organize the event. If you, or someone you know, can volunteer for the event, we would greatly appreciate it. We are looking for volunteers that have experience judging PTV, but we also welcome volunteers who have no experience. There are so many other areas where help is needed to run the event on schedule, such as holding horses, writing for a judge, taking photographs, starters and callers up to name a few.

Lunch will be provided for all helpers.

Please complete and send the volunteer form included in this schedule by Friday 16th August if you are interested in volunteering.

We need a minimum of 20 judges. For judges, this will be an opportunity to judge at a National Event.

If, after the closing date for the entries, we do not have the required number of judges, we will have to cancel the event.

PASSPORTS

It is a legal requirement to carry a passport when a horse is used for the purposes of competition. If a horse is transported without a passport when being used for competition purposes, an offence is being committed and prosecution is a possibility.
