

TREC Ireland Trainers and Coaches

TREC Ireland has a number of coaches and trainers that may facilitate a variety of events for TREC Ireland, affiliated groups, and other groups such as Riding and Pony clubs, private groups, etc. These coaches and trainers are all experienced TREC competitors and judges, and thus very familiar with the rules and ethos of TREC Ireland.

We differentiate between coaches and trainers, as coaches are knowledgeable in TREC and what is necessary, and tell participants about the ins and outs of obstacles (e.g. tips on achieving higher marks), theory training of orienteering and basic tips for MA. On the other hand, trainers can do all this but also instruct riders on how to get their horse to achieve specific objectives, they may also correct riders positions and aids. Our trainers are also all International TREC Judges.

If groups wish to use a TREC Ireland (TI) coach or trainer, they should email assistantchair@trecireland.com, and will be put into contact with an available coach or trainer, whom they will deal with directly from that point forward. These events may be held using TREC Ireland insurance, which is 6 euro per person, per event, or at the discretion of the organiser. If run under TI, events must be declared to the event secretary a minimum of 15 days prior to the event, and will be advertised on both the TI website and Facebook page.

Fees:

Both coaches and trainers should be paid expenses (travel, accommodation if necessary, refreshments etc) as well as a daily fee, which is:

- Coaches 50 euro
- Trainers 120 euro

Coaches and trainers may be able to hire out TREC equipment (this is at the discretion of both parties involved), depending on the type of event agreed. This may incur an extra fee, but should be discussed directly with the coach/ trainer.

Types of event:

Coaches – information days/ evenings, introduction to TREC/ Orienteering/ Obstacles/ MA, mini competitions, practice days, setting up group information

Trainers – training in any of the three phases, training judges, tracers, organisers

If you have any questions, please do not hesitate to contact me.
